Temperature Taking for all staff, students and visitors

Temperature will be taken for all staff, students and visitors upon arrival at our Centres, as part of our continuous efforts to ensure a safe and healthy environment. Please note that personal hygiene is of high importance, and our Centre premise must be kept clean for the well-being of our students and staff.

The School requires the support of parents/guardians to ensure a healthy and safe environment for all students and staff at our Centre. We seek your cooperation to monitor your child's health closely while he/she is at home. Please ensure that your child is well before he/she returns to the Centre. If your child is feeling unwell, please take him/her to consult a doctor and inform the Centre immediately.

Thank you, and let's continue to stay vigilant and healthy.
