

## THINKING CAP SCIENCE

Thinking Cap Science seeks to inspire and ignite the world of imagination of every child to achieve their highest potential to be innovative thinkers, future inventors, and creative problem solvers!

“Nurturing  
Confident  
Talents”

## About Us

Crestar Learning Centre is one of the leading enrichment centres in Singapore. With 45 years of nurturing confident talents, our programmes have seen an attendance of over 40,000 students.

Its wide range of creative and interactive enrichment programmes, is tailored to suit the individual needs and interests, from performing arts to language studies. We continually explore innovative teaching methods that enable students to maximise their learning potential.

# ENRICHMENT PROGRAMMES AT YOUR PRESCHOOL

# BALLET

*(From 2.5 year old to 6 years old)*

**Poise, grace and confidence –** Enhance their physical, social and emotional development through Crestar's ballet programme. The physical and sensory experience builds a strong foundation of mental focus, discipline and perseverance. Events are organised for students to showcase their talents and achievements.

# CHINESE SPEECH AND DRAMA

Instill the love of Chinese language and build their confidence through our unique Chinese Speech and Drama programme. Your child will be engaged in drama games, learning the correct pronunciation and articulation of the language. There will be opportunities for show and tell.

# ART

Achieve mastery of a thousand languages through Crestar's Artmazing programme. Adopting the inter-disciplinary approach, multiple subject areas are infused into the lessons. This allow students to achieve the highest possible artistic and intellectual standards. Watch as they effectively and confidently express thoughts and feelings through their colourful creations.

# K-Pop

*(From 5 year old to 6 years old)*

Customised for preschoolers in learning the trendiest K-Pop moves. Lessons specially curated for enhanced learning experience. Build up mental strength, improve agility and motor skills as well as instill confidence in your child.

# ENGLISH SPEECH AND DRAMA

Let your child explore a world of creativity and imagination, where colourful story characters come to life. Improve their social skills and confidence through clear articulation and expression of the English language through poetry recitals and fun tongue twisters.

# ABACUS

Crestar's Abacus programme is developed exclusively by Taiwanese abacus experts. Specially-designed curriculum to enhance a child's cognitive abilities through visualisation of complicated calculations.
